

ArrisCraft Thin Clad Masonry System

Sponsored by *The International Masonry Institute and BAC Local 1 MN/ND*

WHO SHOULD ATTEND

These training programs are intended for members in good standing, of the International Union of Bricklayers and Allied Craftworkers, and their Signatory Contractors.

WHEN & WHERE

March 29th, 2011 (Tuesday)
BAC Local 1 MN/ND
Apprenticeship Training Center
415 Minnehaha Avenue
St. Paul, MN 55103

SCHEDULE

7:30 AM Registration
8:00 AM Welcome
8:30 AM Arriscraft Lecture
10:00 AM Hands-on Demonstration
11:15 AM Closing Remarks

PROGRAM

Thin-Clad Stone
Craig Swirzon, Arriscraft International

The seminar will outline the different ways the Thin Clad materials can be used in exterior and interior veneer environments for building cladding systems. Arriscraft's ASHLAR products will also be discussed.

A hands-on demonstration will feature rain-screen applications. Please wear comfortable clothing as this event will take place in the Training Center and hands on participation will be encouraged.

COST

There is no fee to attend this program; however, registration is required.

The deadline to register is March 23, 2011
