We are currently taking RSVP's for upcoming Core4/PRO-10 Classes. Please call or visit our Web site at <http://www.bactraining.org/currentevents.htm> for more information about PRO-10.

NOTE:

The Apprenticeship Training Center is now offering all members the opportunity to use the center's mockups to practice tasks and new materials that they may not perform or use on a regular basis while on the job. Please call 651-487-5500 to schedule. Let us know what you would like to work on and we will have it set up and ready to go.
